

The Queen Elizabeth Hall committee manages the premises at the Queen Elizabeth Hall which can be used to provide activities for children and vulnerable adults.

It is the intention of the committee to ensure children and vulnerable adults who come into the premises are provided with a safe and secure environment and are protected from harm.

The committee requires that the same responsibilities and conditions of hire which apply for the use of the hall in general also apply to use for activities for children and vulnerable adults (ie health and safety and fire regulations etc.) In addition, the committee have set out conditions in Appendix 1 of this policy which the Hirer must comply with for activities that include children and/or vulnerable adults as a condition of hire of the premises
